

Montefiore

*From the* OFFICE OF THE DEAN

**Dear Einstein Community:**

We are pleased to announce the appointment of Muhammad J. Anwar, M.B.B.S, as the inaugural medical director of student health at Einstein. Dr. Anwar is a primary care physician with experience in preventative medicine. After receiving his medical degree in 2013 from Quaid-e-Azam Medical College, Bahawalpur, Pakistan, Dr. Anwar moved to the U.S. where he completed his internal medicine training at Montefiore Medical Center-Wakefield.

After completing his residency at Montefiore, Dr. Anwar worked with the Montefiore Medical Group as a primary care physician before transitioning into this new role. He is currently completing a master's program in healthcare administration at Columbia University's Mailman School of Public Health. Dr. Anwar focuses on providing patient-centered primary care services. His areas of interest include medical student and resident burnout, LGBTQ+ health, weight management services, and physician leadership. He will be charged with overseeing student health and expanding services based on student need.

Dr. Anwar will see Einstein students by appointment, Monday to Friday, at 1180 Morris Park Ave. To schedule an appointment, students may call 347-498-2461 during normal business hours (between 8:30 a.m. and 5 p.m.).

Please join us in welcoming Dr. Anwar to the Einstein family.

Best Regards,

**Yaron Tomer, M.D., F.A.C.P.**

The Marilyn and Stanley M. Katz Dean

**Allison Ludwig, M.D.**
