

T32 Surgical Research Training Program

Application

Instructions: Please submit the completed application, a CV, a personal statement and two letters of recommendation addressed to Drs. Michler and Condeelis. One letter of recommendation must come from your current residency program director. All application materials must be sent via email to T32SurgeonScientistTrainingGrant@einsteinmed.edu. Letters of recommendation must be on letterhead, signed and sent (in pdf format) by your recommenders directly to Patricia Friedmann. All emails should include in the subject: "T32 application" and your name.

Your personal statement (1-page limit, arial, 11 pt font) should describe: your accomplishments and how they are indicative of your interest and indicative of your potential success as a surgeon scientist. Your statement should also describe your career goals and how this program will help you fulfill those goals. You should also describe your career plans after completion of this fellowship.

Letters of recommendation: Letters of recommendation should include a statement on your previous scholarly work and commitment to becoming a surgeon scientist.

Letter from Program Director: This letter should include a statement on your previous scholarly work and commitment to becoming a surgeon scientist as well as confirm that the applicant is in good standing with the residency program. Additionally, this letter should comment on the applicants' status (categorical or preliminary resident) with the program after completion of the T32 fellowship training.
