Greetings Einstein Community,

Welcome to our new newsletter! We look forward to keeping you updated on recent activities and upcoming events that highlight and enhance the diversity and inclusivity of our Einstein community and beyond. Check out below for service stars, grant awardees, colleagues making a difference, and new resources.

Best,
Nerys Benfield, M.D., M.P.H
Senior Associate Dean of Diversity and Inclusion

MLK Service Challenge

Over 40 Einstein and Montefiore volunteers served the Bronx community through our service challenge. We send thanks to all who used their time to serve our Bronx community in honor of Dr. King's legacy. View pictures of this year's event and our 2022 Service Challenge winners through the link below.

D&I Annual Retreat

For our annual retreat, Dr. Ann-Gel Palermo, Senior Associate Dean for Diversity, Equity, and Inclusion (DEI) and Chief DEI Officer in Education and Research at Icahn School of Medicine at Mount Sinai led a systems thinking iceberg analysis to better understand and address DEI issues. We also led strategic thinking exercises that resulted in the creation of several action items.

Diversity Engagement Survey

The diversity engagement survey is a condential survey, administered in partnership with the AAMC, will help Einstein assess our organizational climate as part of our Diversity and Inclusion (D&I) Plan. All Einstein community members will be able to complete this survey from February 28 to March 28.

D&I Discussions

Our oce continues to offer a brave space for community members to discuss topics of anti-racism and DEI.
