

Congratulations to the Recipients of the Isabelle Rapin Research Scholarship

It is with great pleasure that we are announcing the appointment of Drs. Elissa Yozawitz, Puja Patel, Leslie Delfiner, Susan Duberstein, and Nagma Dalvi as the Rapin scholars in 2020.

The scholars are supported by funds donated by the Isabelle Rapin family to pursue academic research activities within the Division of the Isabelle Rapin Division of Child Neurology of the Saul R. Korey Department of Neurology at Albert Einstein College of Medicine/Montefiore Medical Center.

The recognition comes with financial support of \$50,000 per scholar for one year to be used for their respective academic activities.

Please join us in congratulating Drs. Elissa Yozawitz, Puja Patel, Leslie Delfiner, Susan Duberstein, and Nagma Dalvi.

Dr. Elissa Yozawitz will focus her research on Neonatal seizures and rare Pediatric Epilepsies

Dr. Puja Patel will focus her research clinical seizure prediction in the pediatric population using electronic diaries and a participatory action research approach

Dr. Leslie Delfiner will focus her research on Clinical Trials in Neuromuscular Diseases

Dr. Susan Duberstein and Dr. Nagma Dalvi will focus their research on Creation of neurocutaneous/ autoimmune disease neurologic database
